

South East Museum Development Programme

European Funding Project

Lucy Marder, Cultural Partnerships
Officer

South East Museum Development Programme

- Working to be a leading source of professional support enabling the region's museums to evolve and flourish.
- It's a strategic programme, focused on brokering partnerships and supporting networks, as well as creating and running projects directly and providing advice and support.

Why international and cross-cultural working?

- Knowledge and expertise
- Fresh perspectives
- New audiences
- Collaborations, joint projects and loans

European funding project

- Supporting you to develop the skills and confidence to develop great projects, establish effective partnerships and identify suitable funding sources.
- Participants will get intensive support to develop and submit high quality applications.
- UK organisations have a high rate of success in EU funding applications but we put in fewer applications than other EU countries.
